Confirming Johnson-McCloy telecon morning December 18, following
is text to be substituted for paragraphs seven and eight concerning
invasion in text quoted in DepTel 1677.

QUOTE The United States further gives assurance that provided no
nuclear weapons or other weapons capable of offensive use are present
in or reintroduced into Cuba, and provided Cuba does not take action
to threaten the peace and security of the Western Hemisphere, it does
not intend, as the President made clear at his press conference on
November 20, to invade Cuba or support an invasion of Cuba. UNQUOTE
End.
